January 2012 ~ Vol. XXVI No. 1 ~ www.pendletoncc.com

Annual meeting and dinner Jan. 17

Make plans to join us for our PCC annual Meeting and Dinner, which is scheduled for Tuesday, January 17th.

On the menu will be flat-iron steak and shrimp with great sides. Dinner will be served at 7 pm with our annual meeting to follow. Your PCC Board of Directors will present yearly reports on each department of the club.

There will be an open forum where

members can share their thoughts, feelings, and ideas as well as an opportunity to ask directors and staff questions.

PCC financial statements from 2011 as well as the 2012 budget will also be presented to the membership. Call the restaurant at 541-443-8874 to make dinner reservations. Dinner is \$17.50 per person.

Message from the Manager:

Members are key to PCC future

Hopefully everyone had a great holiday season and a chance to spend some time with friends, family, and loved ones.

It seems that time is really flying by. I am now starting my sixth year as your head golf professional and am looking forward to a great one in 2012.

I think we have seen the club make a great rebound over the past three years; unfortunately we still have a ways to go. I just want to let you all know that it is going to take all of us to see our club continue to grow through these tough times. Whether it be through supporting our events, donating time to make improvements, or simply looking for potential members, we can all make a huge difference.

Please don't get complacent. Just a little time and effort from everyone could mean the difference between PCC being here for future generations or not. With that being

said, my door is always open to the membership. If you have suggestions or even complaints, please let me know. We all have a stake in the future of our club.

I know I don't have to remind most of you because you already know, but we do have a great club. We have the opportunity to play a well-designed, well-kept golf course, virtually year round, for less than half of the going rate in the Pacific Northwest.

Guests who visit our club from other areas laugh at the unbelievable low prices our members pay. I have actually heard married couples discuss moving to Pendleton just to be able to join PCC and play golf for such a great price. Please keep this in mind as we move forward as a club. We have a great thing going and we need to make sure it stays that way.

Thanks again.
Tyler Brooks, PGA

Sponsors needed for planned fitness center

One of the main goals of the PCC Board of Directors and management staff is to increase the value of each PCC membership by offering services that members want and use.

We feel that the addition of a fitness center would be a great added value to PCC members, and will increase membership and bring added revenue to the club.

We have a goal of opening the fitness center in late spring of 2012. Of course, the only thing standing in our way is funding.

Currently, we have a room upstairs that is rarely used. Our presidents' room, which is located at the north end of the building, would be a perfect spot to house a fitness center. It has adequate space and its own entrance, which would allow for after-hours use.

We have a goal of opening the fitness center in late spring of 2012. Of course, the only thing standing in our way is fund-

ing. We need \$10,000 to get started purchasing commercial equipment and getting the room ready.

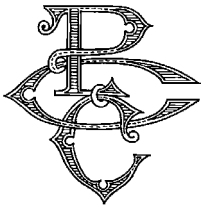

We are offering two sponsorship/advertising packages to members and local businesses.

Our Nicklaus package is a \$250 sponsorship, where our Palmer package is a \$500 sponsorship. Both packages include the sponsor's name or business name being recognized on a large plaque, which will be hung in the fitness center.

If you, or your business, are interested in purchasing a sponsorship, please contact Tyler at 541-443-8874. We would also be interested in members donating equipment if it fits the needs of the fitness center.

Prepay your dues and save 5%

Looking for an easy way to make a 5% return on your investments. Look no further. PCC pays rates that virtually no bank or mutual fund can match. Prepay your dues for the 2012 season and save 5%. Dues must be paid prior to January 15th to receive the discount. Call Georgea or Tyler at the club to get set up. 541-443-8874.

Sign up a new member; shave money off your monthly dues

Our annual PCC membership drive will begin January 1st with some great savings for new members and a great benefit to existing ones.

All existing members who sign up a new member in 2012 will receive a \$250 bonus. This bonus can be used against your dues or on restaurant and Pro Shop purchases.

Plus, proprietary members paying \$175 per month still have the oppor-

tunity to reduce their dues. Sign up a new proprietary member in 2012 and reduce your dues to \$140 per month. That is a yearly savings of \$420 dollars.

Existing members are not the only ones getting a great deal. New members who sign up in 2012 can save up to \$1,000 on initiation fees if they sign up before July 31st.

Don't wait, start looking for potential members now.

Restaurant & Bar open all year around

Even though the weather is less than perfect for golf, the Clubhouse is still open for member use. The Pro Shop is open Tuesday through Sunday from 9 a.m. to dark and the restaurant is open Tuesday through Sunday at 10 a.m. and on the weekends at 8 a.m.

For those of you who want to battle the conditions and play golf, we do have covered golf carts and heaters available for rental. Also, we do still have a few dates left for holiday parties. If you or your company are looking for a venue for your holiday event, PCC can more than accommodate your needs.

Use it or Lose at Bar, Restaurant

PCC Food and Beverage Minimums: Your food and beverage minimums are what the Country Club asks that you spend each quarter in the bar and restaurant. The minimums are used up when you buy any food or beverage item using your member number.

You may pay for these items using cash, check, credit, or on your account. No matter what payment method you use, the items purchased will still go towards your minimums.

Food and beverage minimums are currently \$90 per quarter. Don't get stuck paying for items you don't use. Make sure you spend at least \$90 each quarter in the bar and restaurant. It could be as simple as having a family breakfast at PCC once per month, or inviting out friends for a club dinner.

Winter Texas Hold'em Tour continues

We will be starting our Winter Texas Hold'em tour on Thursday, January 19th. There will be seven tour events in the series with a final playoff event to crown the champion. Players can win cash prizes at each event, as well as points, which earn them their spot at the final table. Call us on the day of each event to get signed up. \$20 buy in each night . Each event begins at 6pm. Tour

dates are below

Thursday, January 19th
Thursday, February 2nd
Thursday, February 16th
Thursday, March 1st
Thursday, March 15th
Thursday, March 29th
Thursday, April 12th
Thursday, April 26th (Final Table Playoff Event)

Mayer, Byrnes succeed Harsch, Olsen on PCC Ladies Board

Well the holidays are over. I hope everyone had a great Christmas and a Happy New Year. I know I'm looking forward to 2012. Hopefully it will be a great one for everyone.

At the end of 2011 the ladies board voted on a project. We have decided to update the lighting in the café and bar.

Nancy Brown and Karen Graybeal will be shopping for those fixtures in the coming months.

Kevin Hegeman has so graciously volunteered to install those fixtures for us. Hopefully this will help update the look of our most used areas.

Lastly, please don't forget the card party was moved to January 20th. If you are interested in reserving a table please call Carol Chvilicek or Karen Graybeal.

From The Red Tees

A couple exciting changes coming from the Ladies board. As of January we have two new members, Dori Mayer and Laura Byrnes. When you see these two please congratulate them for joining the board. I hope they will enjoy the next two years. Also, please say a big thank you to Nancy Harsch and Marilyn Olsen for all they have done on the ladies board. They will be missed.

PCC Ladies Board initiated the Potluck to give members and families an opportunity to get together in a casual setting from October thru May when golfing activities slow down, and it has been very successful for many years. It is a simple affair with no agenda, no program, and no ceremony; just a social hour followed by a meal made up with a delightful array of favorite recipes brought by members and a main course prepared by the PCC restaurant staff. Potlucks are held on the second Tuesday of the month, beginning at 6:00 PM, with a buffet style dinner at 7:00.

Here's how it works: One person on the Ladies Board is selected to oversee social activities, including the Potluck. She arranges for hosts for each Potluck (usually 2 couples). Then a committee is selected for each Potluck for the year. The committee is selected by dividing the number of PCC members by the number of Potlucks in the year - everybody serves on the committee once a year.

The hosts contact the members of the committee to get as many as possible to attend. Members of the committee have two functions: (1) They are billed \$9 (whether they attend or not) to pay for the main course and do not have to bring a potluck dish. (2) They pour coffee and remove dishes from the tables when the dinner is finished.

All other PCC members who want a really good meal bring a vegetable dish or salad. The restaurant staff will take care of serving your dish and getting it ready to take home.
